PROP-NUTS R/C CLUB, INC.

The December meeting was replaced by the Christmas party.

The Christmas party was by general censuses moved back to the San Jacinto Inn for 2007. It seems as thou the White Star Restaurant wasn't centrally enough located for everybody.

There were 32 attendees including spouses. President Smith made a nice speech to start things off. The service was really good and I though the food was very good, especially my steak and baked potato. Door prizes were drawn for during the evening with everybody getting something. All in all it was a very nice evening.

Happy Birthday

Memorial

From Jim Brock
For those who might remember him, Richard Cummings died Saturday, January 5. He had been incapacitated for several years following a serious stroke. Richard's last year as a Propnut member was in 2002.

2008 Renewal forms have been mailed, if any club member has not received their renewal please contact Tas Crowson, Club Secretary with a current mailing address. 281-474-9531

We had a busy year and a good year. In May we went to the Exxon Picnic. Also in May we got a barrier installed on the west side of the field to try and keep the **punks** from tearing our field up. In April we had the Flea Market and Fly-in. In June we hosted an IMAC event. In August we got a gate. "Hallelujah" In September we had a helicopter Fly-in and last but not least in October we had our Big Bird (such as it was). We have old familiar faces, and we have some not so old but still familiar faces, and we have some new faces which will soon become familiar. To sum it up I believe we have a really good bunch of people in the Prop-nuts club and am looking forward to 2008.
