Sept - Oct 2008

Hurricane IKE has disrupted a lot of things. One of which is the Newsletter. As a club we lucked out. The only loss we suffered was our big sign by the gate. It was blown down and tossed into the ditch across the road. It is repairable. Please don't forget about our Big Bird Oct. 18-19. It's still on.

Last months silhouette was Mike Irwin.
Who is this?

As yet no minutes available for September.

Don't worry about biting off more than you can chew.
Your mouth is probably a whole lot bigger'n you think.

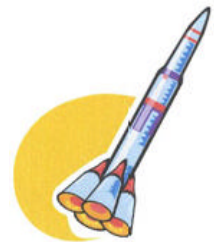

If you get to thinkin' you're a person of some influence,
try ordering somebody else's dog around.

Good judgment comes from experience, and a lot of
that comes from bad judgment.

Never miss a good chance to shut up.
